

Toronto, Ontario, Canada

Post by “Cassius” of February 23, 2019 at 3:02 AM

You are certainly right as to the drawbacks of Meetup. Unfortunately for the present we are only a small group, but we have to start somewhere.

Actually I now remember, if I recall correctly, that @EricR is from Canada. It's a big country but I'll tag Eric to say hello to him, and maybe he'll have a comment on Toronto.
