In keeping with [Cassius](#) new thread:

Epicurus taught YOLO but not the YOLO That You Are Familiar With. 😊

I realized after typing "YOLO" that it is both thematically perfect, and also, connotatively antithetical to my message, so my bad for throwing out that adjective (*and I'll use this as an opportunity to further demonstrate that nouns are more powerful than adjectives, and a good noun should spare us the expense of having to buy an adjective*).
