Welcome to Epicureanfriends.com, home for friendly discussion of the philosophy of Epicurus. Here you will find a warm group of people who are studying and learning about Epicurean philosophy as a way of life, and not as a matter of history or for purely academic reasons. Our main feature is our Forum. Here you can participate with a community of friends who appreciate the wisdom of the ancient Epicureans. Registration is automatic and quick through an email verification process. The Forum is...
