

# Lucretius Today - Episodes of Special Note

Given the difficulty of the subject (Anticipations) and that we had the full podcast team involved (including Don), I think we will probably end up considering Podcast 163 on Anticipations to be one of our better episodes too:

[Episode 163 - "Epicurus And His Philosophy" Part 17 - Chapter 8 - Sensations, Anticipations, And Feelings 04](#)

Welcome to Episode 163 of Lucretius Today. This is a podcast dedicated to the poet Lucretius, who wrote "On The Nature of Things," the only complete presentation of Epicurean philosophy left to us from the ancient world. Each week we walk you through the Epicurean texts, and we discuss how Epicurean philosophy can apply to you today. If you find the Epicurean worldview attractive, we invite you to join us in the study of Epicurus at EpicureanFriends.com, where you will find a discussion thread...
