

Testing ChatGPT with Epicurean Philosophy

Post by “Cassius” of March 3, 2023 at 7:17 AM

[Quote from Don](#)

I think it is extremely dangerous to consult "answers" from AI chatbots, no matter how sophisticated, to questions like this.

No doubt, but it's also inevitable that millions (billions?) of people are soon going to be doing exactly that, so we'll need to want to explore this - just as you are doing - so we can figure out the best response.
