[Quote from Kalosyni](#)

I would recommend studying and discussing the Letter to Menoceus, the [Principal Doctrines](#), The Vatican Sayings, and the Torquatus section of Cicero's On Ends.

If I may, in addition to the more scholarly/narrative translations, I'll offer my translation and commentary of the Menoikeus letter if you're interested:

File

[Epicurus's Letter to Menoikeus - A New Translation with Commentary](#)

An in-depth translation and commentary of Epicurus's Letter to Menoikeus.
