Welcome again Oscar

Here's my tip jar/patron page:

<https://www.patreon.com/hiram>

That goes to supporting the fees for societyofepicurus.com page. Also, feel free to ask for specific content if you donate. For 2019, I am trying to create awareness and encourage discussions about Epicurean economics, because I feel that this is an under-developed area that deserves more attention. My last 20th message was the first conversation starter on the subject.
