

Christos Yapijakis and The Garden Of Athens Release "Epicurean Philosophy: An Introduction from The Garden of Athens"

Post by "Matteng" of March 8, 2023 at 4:55 PM

Thank you Cassius.

I am reading it and it is very insightful.

It is not the style of Emliy A Austin's book, and the quality is similarly high

At least in my opinion 😊 with good valid references.

The book emphasizes the influence and pro-scientific nature of Epicurean philosophy and how it is at the core of a naturalistic worldview

and how these discoveries advance medicine, chemistry, technology and human prosperity
