

Welcome Jane!

Post by “Jane” of March 24, 2023 at 5:43 PM

Hello - many thanks for the welcome. Other than some bits and pieces of Epicurean teachings, the main work I have read so far is Lucretius, which I have in a few different translations and which really speaks to me. I'm delighted to see such great advice on this site to further reading and look forward to furthering my knowledge.
