

Welcome Reginitsa!

Post by “Reginitsa” of April 10, 2023 at 12:52 PM

I am very fond of Epicurean philosophy. It helped me a lot in many circumstances in my life. I have attended some lectures in Epicurus garden in Greece, especially during quarantine time when they were done via zoom. I have also read some parts from "De Rerum Natura". I look forward to hearing more about our beloved philosopher.
