

Scientism, Atheism, And The Admissibility Of Spiritual Experience

Post by “Pacatus” of April 12, 2023 at 5:20 PM

EDIT to my last post: I am implicitly, in my exploration, treating that "natural divine reality" as having the kind of ideal characteristics that Epicurus had in mind -- e.g. harmony and blissfulness -- that we can tap into, as it were, by recognizing it.

Sorry for the late edit.
