

# Themista of Lampsacus

**Post by "Joshua" of April 15, 2023 at 4:01 PM**

I wonder if she died some time before Epicurus. Their practice of memorializing the dead through books of praise would explain Cicero's complaint. Then there is that connection between the names Leontion and Leontius. Perhaps Leontion was the daughter of Themista and Leontius. Impossible to say at this distance.

I seem to recall finding mention of Leontion in the Greek Anthology, I'll have to check when I get home.
