

# **Article and Short Video By Don On The Location of The Garden of Epicurus in Athens**

**Post by “Cassius” of April 22, 2023 at 3:23 PM**

I didn't listen to the voiceover but I recall watching that in the past and coming away thinking that the size of the junkyard was intended to correlate with the size of the garden. If Don is correct as I suspect he is then that's part of the impression that needs to change. Better to get a drone up in the air to show the full area.
