

# The Early Epicureans v1.0 [video]

Post by "Cassius" of May 3, 2023 at 11:51 AM

Since we are talking about the founders of the school, I have to admit that I have trouble myself identifying between Hermarchus and Metrodorus. Does everyone agree with the labeling here? And in turn do we agree that the book [about which Godfrey recently posted has Hermarchus on the cover?](#)

*Hermarchus*

*Epicurus*

*Metrodorus*
