

Eudoxus - Precursor to Epicurus and More Like Him Than Aristippus?

Post by “Cassius” of May 12, 2023 at 7:56 PM

In fact it would be fun to compare and contrast: Who was closer to Epicurus, Aristippus or Eudoxus? What do we know about their respective physics and epistemology that we might use to say that Epicurus thought of himself as being closer to one than to the other?
