

Best Way to Introduce Teachings?

Post by “Hiram” of March 8, 2019 at 1:30 PM

I wish we had answers to all your questions. No one has done marketing research on EP, I try to see trends and have only found that reddit brings in huge traffic to the SoFE webpage and others. How much of that traffic = steady interest, it's hard to tell. It seems to me that very few people develop a sustained interest in EP.

Pamphlets and Brochures here:
