

PD01 - Gratitude and Weakness (Especially In Relation to the Gods)

Post by "Godfrey" of May 14, 2023 at 7:27 PM

This brings to mind pleasure ethics v duty ethics: if you consider it to be your duty to do a particular thing then you're likely to pursue it regardless of the pain involved. Compare this to pleasure ethics, where minimizing pain is a concern: you may achieve the same thing, but often much more pleasurably for all involved. Or you may choose to flee from the particular thing if you judge it to be a corrosive desire.
