

How has the word epicurean come to mean excess?

Post by "Pacatus" of May 15, 2023 at 2:09 PM

[Quote from Cassius](#)

Epicurus was into "pleasure" and that can come in many ways, simple and luxurious, and the trick is to manoeuvre through your personal context to focus on pleasures that do not cause you more pain than you are willing to experience for the sake of those pleasures.
