

# **Epicurean Symbolism in Herculaneum Art - Something To Track Down**

**Post by “Godfrey” of May 16, 2023 at 9:42 AM**

On the book cover his right shoulder is much higher so they would appear to be different sculptures. However after examining #12 above and then looking at the book cover, the book cover looks more like Epicurus 😊

But it's early here, and I'm looking on my phone, so there's much squinting involved.
