

# Letter to Menoikeus translation by Peter Saint-Andre

Post by “Little Rocker” of May 28, 2023 at 6:46 PM

Interesting. I guess I'm reading it as something like: 'Whenever we say pleasure is the goal, we don't mean the pleasures of the profligate or those pleasures that lie in consumption,' reading κειμένας as indicating the source or location. But I'll look at it more closely because it would be interesting if it instead addressed charges of sloth or indolence!
