

# Son has a question

**Post by “bradley.whitley” of March 12, 2019 at 3:14 PM**

[Elli](#), and all friends.

I am pleased to announce that we have found Greek Feta at our local Lidl market. We have preserved figs, we will get Feta and Pita bread for our 20th. I also have some very good, but cheap Port that I and my wife Amanda will have. James and David will have their favorite soft drink.

Good health and cheer to all,

Brad
