

Epicureanism Vs Asceticism

Post by “bradley.whitley” of March 12, 2019 at 3:19 PM

Hello Friends,

I got lost with the Buddhist past life stuff.

Dump Lent. It's superstition. That would be my advice. Just enjoy life. Tomorrow we could be food for the worms. Today! Today! Today! Seek pleasure. Why be ascetic? The Garden was not Ascetic.
