

# Letter to Menoikeus translation by Peter Saint-Andre

Post by “Don” of May 30, 2023 at 8:07 PM

[Quote from Little Rocker](#)

Not to lead us astray here, but is it possible this could be a reference to sex? I mean, if we did follow the idea that we're talking about the kinds of things a person might enjoy while lying in bed.

Ah!! Maybe the other translations "sensual" was a circumlocution for sex! That \*is\* food for thought! Well done, [Little Rocker](#) !
