[Quote from Cassius](#)

I agree that there is a distinction to be made between desire and choice and avoidance and pleasure and it's probably time to go back into that subject, because I am not sure we ever clarified it, and I agree that would help. How does "desire" differ from "choose to pursue" or even just "choose?"

We can choose to pursue or reject a desire.

We cannot choose whether or not something feels good, ie, evokes pleasure.
