

Does the philosophy change you?

Post by "Cassius" of June 14, 2023 at 12:50 PM

That's a little deeper than I understood. I am familiar with "we are worms" and "undeserving of salvation" and so forth but not to the extent that *every* pleasure in *every* situation is wrong. I am familiar that Stoicism might be read in that way, but not really Catholicism. Maybe with Joshua's help we might want a full Catholicism thread.
