

Does the philosophy change you?

Post by “Little Rocker” of June 14, 2023 at 1:47 PM

I was raised Southern Baptist, deep in the belly of the whale, so I know (almost) exactly what you're talking about, Eoghan. It's like being raised bilingual--the second language is always in your head, even if you never speak it. The only truly regrettable result of breaking away from religion for me has been that it alienates me somewhat from my family and almost everyone I grew up with.
