[Quote from Little Rocker](#)

only truly regrettable result of breaking away from religion for me has been that it alienates me somewhat from my family and almost everyone I grew up with.

.... Other than that, Mrs. Lincoln, how was the play? 😊

It seems to me that in most all cases it takes a special kind of person to be able to start this process, and even then it takes constant work thereafter.

But to me, it's worth it.

EDIT - Is has been pointed out to me that my "Other than that Mrs. Lincoln" joke might be misunderstood. See below post [37](#).
