

Delphic Maxims from an Epicurean Perspective

Post by “Kalosyni” of June 21, 2023 at 8:04 PM

[Don](#), these are very interesting and no doubt they influenced all ancient philosophers, including Epicurus. What is surprising is the shortness of each one. Possibly thinking to take some time to read through the 147 and see if some of them are parallel to any of the [Principal Doctrines](#) or the Letter to Menoecus.
