

Embodied Cognitive Science

Post by “Joshua” of July 20, 2023 at 10:44 AM

I don't have any familiarity with this, perhaps we should make a table for the four 'e's so we have a better sense of what we're looking at. I'll read up more on the subject. At a glance I think I agree with the embodied part, if I understand it rightly. I haven't looked at the other three yet. Happy twentieth!
