

Living off the land

Post by “HsiehKW” of July 26, 2023 at 2:12 AM

Oh nice! Fermented beverages sound really great too. If I were in your stead, I'd probably steer that into a beer, wine, and cheese-making kibbutz. Hope you can share photos when the time comes, just for us to see and feel a little progress. I will too when get to start planting, etc.
