

Episode 184 - "Epicurus And His Philosophy" Part 36 - Chapter 14 - The New Virtues 07

Post by "Joshua" of July 28, 2023 at 7:19 PM

It was [Pietro Redondi](#) who put forward the thesis that atomism was at the center of the Galileo Trial because of its inherent challenge to the Eucharist. As I said, it is a very controversial claim. It *is* known that Galileo got into trouble with the Jesuits over atomism before his trial.
