

Welcome Clive!

Post by "Cassius" of March 19, 2019 at 12:18 PM

Clive it interests me that you are English. My experience is that virtually everyone I have come into contact with from England is a dedicated "Stiff-Upper-Lipper" and primarily Stoic. 😊 I would be curious to anything you can offer as to your thoughts on the differences between the two and why you identify more with Epicurus.
