Don's post as to the Julie G. article have been split out to a separate thread here:

Thread

[Julie Giovacchini - "The Tetrpharmakos, Authentic Formula Or Simplistic Summary Of Epicurean Ethics?"](#)

[CASSIUS ADMIN NOTE: Thanks to Don for finding these two articles by Julie Giovacchini. At present I only have the second in google translate form (see post below) but they look to contain a lot of interesting information and deserve a thread of their own - especially the one linked in post 2 below.]
