All of the above links I tried are now dead (error 404). Here is the main site link for those who wish to try again:

[Contact – Würzburg Center for the Study of Epicureanism \(epikur-wuerzburg.de\)](https://www.epicureanfriends.com/thread/890-wuerzburg-center-for-the-study-of-epicureanism)

(If the link doesn't work, copy/paste it into your browser)
