

PD07 - Best Translation of PD07 To Feature At EpicureanFriends.com

Post by “Eikadistes” of August 16, 2023 at 9:58 PM

There are a lot of good (and missed) opportunities to employ alliteration in this one:

"Wishing to be worshipped and well-liked, they secured safety from society so long as they can be pronounced popular. Therefore, if so, indeed, they were safe as such a lifestyle inherits the natural benefit of the good. If, however, they procured no security, they did not receive that for which they initially strove."
