

Episode 190 - Cicero's On Ends - Book One - Part 01

Post by “Cassius” of August 29, 2023 at 2:58 PM

Yes that's a good question. I tend to think that some degree of reading of what we are talking about is helpful, but we did not do that with DeWitt primarily because his book was most commentary. When we are targeting the analysis of a particular text like we did with Lucretius or the letters to Epicurus, it makes sense to read them. This Cicero material is somewhere in between.
