

Episode 190 - Cicero's On Ends - Book One - Part 01

Post by “Martin” of August 30, 2023 at 5:29 AM

The quotes in our discussion of DeWitt's book were almost like reading the whole book anyway. When we went through Lucretius and the letters, we often fell short of finishing the intended section, reading the missed part again in the following session. Moreover, we still quoted in pieces as needed despite the initial reading.

I vote against reading the section before the discussion.
