

Gassendi's English Version of Life of Epicurus - Thomas Stanley Edition

Post by “Cassius” of August 30, 2023 at 6:41 AM

Yes it took me a long while til I located that Stanley edition in a university library microfilm (I think it was)

The text is hard to read for numerous reasons, not the least of which was the archaic spellings, / word forms which we decided not to update. I feel sure we have lots of errors from the PDF but the transcription at least makes sections easier to find.
