

Time in Epicurus, Lucretius, and Aristotle

Post by "Don" of September 4, 2023 at 7:19 PM

Note: Joshua's Lucretius excerpt echoes 3 above:

Lucretius:

We must concede that no one
has a sense of time in and of itself,
apart from things in motion or at rest.

Epicurus:

καὶ κινήσει καὶ στάσειν

"both things in motion and those at rest"
