

Clear and Vivid: Can Science Explain Spirituality?

Post by “Eikadistes” of September 6, 2023 at 11:21 AM

I appreciate the distinguishing between "spirituality" as is usually conceived (a derivative of ancient metaphysics, or an ideology based on magic and ghosts, or a comforting pseudo-science that plays to self-absorbed egos) versus a "spirituality" as Epicurus might have seen it (something closer to critical psychology and neurology).
