

Would You Rather Live For A Week As (1) Epicurus During the Last Week of His Life or (2) An Anonymous Shepherd Laying In The Grass In The Summertime With No Pain At All?

Post by "Godfrey" of September 8, 2023 at 10:51 AM

Does this sometimes perplexing PD add anything to this discussion?

[PD09](#) *"If every pleasure were condensed and were present, both in time and in the whole compound [body and soul] or in the most important parts of our nature, then pleasures would never differ from one another."* Inwood & Gerson (1994)
