[Quote from Cassius](#)

Of course this invites the question, "Then why does it exist in our world?" 😊

The vicissitudes and randomness of cultural evolution.

Surupice's world would no doubt have some weird ways of thinking that would make us scratch our heads... But don't scratch using your tail because according to Nomromism the tail is an outward sign of purity and must be tied in a knot and tucked in your hat... Or some other bs like that.
