

VS29 - Interpreting VS29

Post by “kochiekoch” of September 17, 2023 at 4:39 PM

Thanks for the invite Kalosyni.

It all seems rather straightforward. Epicurus would rather tell the truth, even couched in mysterious, esoteric, language, the average person wouldn't understand, than to tell the average person what they want to hear, and to reap the benefits of such action.

People love it when a wise man reinforces their prejudices. 😊
