Episode 192 of the Lucretius Today Podcast is now available! Most of our regular podcasters were away this week, so Cassius fills in with a reading of Chapter 16 of Frances Wright's - A Few Days In Athens. This Chapter is devoted to a fictional presentation of a speech given by Epicurus on the subject of the evils of supernatural religion. We'll be back next week to resume our series of episodes on Cicero's "On Ends."
