

# **Verifying membership status / deletion of inactivated accounts**

**Post by “Cassius” of September 29, 2023 at 9:58 AM**

Thank you for taking care of this. We have no desire to delete anyone who wishes to participate or just read along silently, and any account that gets deleted can ask for reinstatement which will gladly be given. What we want to do by housecleaning the account list is to protect the experience of regular members by making sure that the forum doesn't get compromised by spam or other types of malicious actors.
