

# **Episode 193 - Cicero's On Ends - Book One - Part 03**

**Post by “Cassius” of September 30, 2023 at 5:55 PM**

Also I need to apologize to everyone that I seem half dead in this podcast. I had some strange back pains in the days before the recording and I think I may have been podcasting under the influence of the medications I was taking.

I plan to be sure we backtrack as needed this next episode to be sure we cover what we need to cover, so if anyone has comments please add them

We will probably be on basically this same topic for the next several weeks.
