

# Moderation Notice

**Post by “Cassius” of October 5, 2023 at 5:15 AM**

Thank you Joshua for the action and Don for the warning. Just woke up and saw this. The user has been banned along with another recent user - fuser73 - whom the system had already disabled due to his address showing up in a forum spam database. As Joshua said if anyone sees any remaining spam or anything else unusual, please let us know.
