

Recreate an Ancient Scroll - For kids (and crafters)

Post by "Kalosyni" of October 21, 2023 at 11:39 AM

I found this website which has directions for making an "ancient" scroll. It shows an example of Chinese characters but could be simply made with ancient Greek text. (Or some fancy fonts of English words could be fun too...perhaps the PD's?

[How to make your own ancient scroll \(perfect DIY for a birthday party!\)](#)

An ancient scroll is a great addition to a pirate or detective party (or for scavenger hunt clues!) and it's easy to make. Here's how to make your own.
