

Can killing another human be justified under Epicurean philosophy?

Post by “Kalosyni” of October 25, 2023 at 3:09 PM

There isn't much in the extant texts about **this truth: Any time you harm or kill another human there will be consequences** - often unforeseeable and potentially unpleasant.

PD5 is somewhat related to this: "It is not possible to live joyously without also living wisely and beautifully and rightly, nor to live wisely and beautifully and rightly without living joyously; and whoever lacks this cannot live joyously."
