

Competing Greek Words for Pleasure in the Epicurean Corpus?

Post by "Don" of October 31, 2023 at 2:10 PM

[Quote from Pacatus](#)

Are there sources in the Greek, among the Epicurean corpus, for τέρψις and/or χάρᾶ?
And a distinction from ἡδονή?

Quick response: χάρᾶ is specifically one of the "kinetic" pleasures. I'll have to dig around about τέρψις. That's a new one to me.
